since 1984

GIRL GUIDES ASSOCIATION OF TASMANIA, Boronia District

Guides Tasmania is a values-based organisation offering a wide range of activities and opportunities to develop skills across many fields including the environment and outdoors, leadership, community service and team dynamics.

Boronia District Girl Guides has over 100 members and their meeting hall, which also serves as an emergency evacuation point for the local community, is no longer large enough to accommodate its dual purpose.

The \$10,000 donation will be used to enclose the currently open courtyard and transform it into a useable indoor space for the Guides meetings and for the local community in the event of an emergency.

The Legacy
Lives On!
