and NZ charities  
since 1984

## QUEENSLAND POLICE CITIZENS YOUTH WELFARE, QUEENSLAND

Yarrabah is an Aboriginal Community located near Cairns and their local PCYC enjoys a long and proud history of team building and youth management, with emphasis on prevention of teen suicide and self-harm. Special programs were set in place in 2004 providing both the opportunity for personal development and exposure to culturally appropriate advice from respected elders. Since then, no child or teen associated with the Club has committed suicide or carried out an act of self-harm.

The \$21,000 donation will be used to hold special sea kayaking camps with each young person supported by a personal mentor and access to one-on-one time with Aboriginal elders.

The Legacy  
Lives On!
