

Over A\$15 million
given to Australian
and NZ charities
since 1984

RSPCA, ACT

RSPCA ACT operates an animal shelter that cares for over 5,000 companion animals each year and more than 3,500 orphaned or injured wildlife. They also offer educational programs for ACT residents in all matters concerning the welfare of animals.

RSPCA ACT's three inspectors travel in excess of 150km on a daily basis as they are called upon to rescue a stranded pet or to investigate alleged animal cruelty or even take feed to a starving horse – so a reliable vehicle is essential.

The \$44,000 donation will be used to purchase a new 4WD utility vehicle, which will ensure reliable transport for their important field work for another decade.

The Legacy
Lives On!
