## SCOUT ASSOCIATION OF AUSTRALIA, NSW

The 1st Bangor Kangaroo Para-Scout group was established in 2005 for scouts with an intellectual disability. Starting with three scouts, the group now has 19 members aged between 11-65 years old, with mental ages ranging from pre-school to late primary.

Many of their members are classified as either too old or too disabled to join mainstream and most are unable to afford any fees and costs, so funding was needed to ensure new members could join and take part in the 2011 activities.

The \$5000 donation will be used to help cover expenses including joining fees and uniforms for new members as well as activities for the entire group.
