ST. MARK'S COMMUNITY CENTRE, VICTORIA

St. Mark's Community Centre is located in a church hall in the inner-city Melbourne suburb of Fitzroy. For the local homeless and those living in transitional housing, St Mark's is considered a "home away from home" where they are treated with dignity and respect.

Along with food parcels and clothing vouchers for the Opportunity Shop, St. Mark's main function is as a safe drop-in centre. The one thing they have been lacking is a functional kitchen.

The \$12,000 donation will be used to fitout the old kitchen area to include a new sink, boiling water machine, microwave oven, lockable storage cupboards and furniture for the dining area.
