

Over A\$15 million
given to Australian
and NZ charities
since 1984

YOU HAVE A FRIEND, NSW

Established just two years ago, You Have A Friend provides support for the homeless and marginalised people in the communities around Tweed Heads in far northern NSW.

The 53 volunteers help support the needy in caravan parks, Government housing estates and the many people sleeping "rough" in farm sheds, tents, cars, abandoned buildings and church grounds. They provide over 300 meals per week as well as food parcels, clothing and several outreach services to specific locations on a weekly basis.

The \$29,000 donation will be used to purchase a van so they can expand their outreach service and continue to alleviate the plight of the region's homeless people.

The Legacy
Lives On!
